“ Sue , Stevie and family, I'm so sorry for your loss. Your daddy was one of the most loving and caring men I've ever known. I remember when he was our sunday school teacher at the old Methodist church, we had our class outside under a tree, he was the best. I would tell mama that he was the best teacher that we ever had and she would just light up she really loved Warren, we all did. I know ya'll will miss him , but the wonderful thing is we will see him again. I'm so sorry I will not be able to attend his funeral, Praying for ya'll with love Martha Moody
