“ Donald was a wonderful family man who was devoted to his wife Pat and sons Stephen and Jacob. He was a coworker but most of all a great friend and confidant. I know that I've always cherished his friendship and will miss his positive attitude and wit. He loved the many trips to the Mountains and he was a talented man on decorating and floral arrangements. I want you all to know that my thoughts and prayers are with each of you during this very sad time. I know your strong faith will see you through the difficult times but also know that the Lord has his loving arms wrapped around you to see you through. Cherish the many memories that were made and hold them close. May God be with you all! My sincere sympathy on your loss of a husband and father. Just know Donald was a great person always!

“ Donald was a good man, our last conversation, prior to leaving work for the holidays was our love for the mountains. We share many mountain trips as if that was the only place on earth. May he rest in peace and may God bless his family.
