

## Mrs. Elois Hansen

July 1, 1936 - September 26, 2020

Elois Hansen of Moss Point was called to her heavenly home on Saturday, September 26, 2020. She was born in Neshoba County, Mississippi to Edward Loper and Addie Watkins Sweeney on July 1, 1936.

She was a devoted wife to the love of her life, John Carl Hansen and a loving mother to Janice Hansen of Waveland, Debbie (Ron) Morris of Mobile, and Pamela (David) Thompson of Ocean Springs. She was the best “granny” ever to her grandchildren Nicole (Doug) Baker, John Allen (Leslie) Goff, Megan (Brandon) DeCair and Brittany McNair. She was also loved by her (6) great-grand-children. She is also survived by two brothers, Charles (Phyllis) Loper and Tommy Gerald (Patty) Loper and her special friend Etta Mae Verbeke along with many nieces and nephews.

In addition to her parents, she was preceded in death by her sister and brother-in-law Emma and Bill Prassnoes.

To know Elois was to love her – She retired from Sears after 26 years, selling appliances to half the people of Jackson County. She was a member of the East Moss Point Baptist Church. She was a fireball and hard worker and always a quick wit. Once you became her customer you also became her friend. She was larger than life and leaves a legacy of strength, courage and love. Elois and John had a love story that will live on forever; they enjoyed 66 years together as of September 5th. When you saw one of the them, you saw them both. She loved her family and enjoyed spending time with them. She loved to travel. Most of all she loved to bless others with her love of cooking always willing to make her famous pound cakes for her friends.

“ I loved Elois! She worked with my Mama at Sears for quite a few years and was such a pistol! Her loud voice, her quick wit, her intelligence, and her very being was a force to be reckoned with. She could cook.....oh my goodness! What a beautiful family she created and I know Jesus is rejoicing in Heaven to have her with Him now. My prayers and sympathy go out to her family and friends. God bless. Sandy Feathers

“ Elois and I have been friends since high school. I have always thought of her as a "character". She was both sweet and sassy, yet sincere. That is why she was so cute and funny! Every one who knew Elois and JC, even in the old years, knew that they were meant to be together! May this closeness continue to keep her little family that she loved so dearly close. God bless JC and family!

“ Miss Elois, this earth is less of a beautiful place without you! Your family was very blessed to have you in their lives. I will keep them in my prayers as I know that losing you will be so very difficult for them to adjust to. Especially Mr JC, the two of you were definitely one, anyone could see that the Love that y'all shared was blessed by our Heavenly Father. There's no doubt that you are on the "Streets of Gold having already entered through the Eternal Gate of Heaven". Please watch over us and put in a good word for us when you hand our Lord Jesus a piece of your delicious lemon pie!

Sincerely,  
Patsy Stanley
