“ Didn't know what I might find when i decided to look up my namesake today, but this wasn't it. My name is Bubba Nobles, son of Larry and Margie Nobles that lived next door to Bubba Toups and his family in Pascagoula when i was born at Singing River in 68.

My parents also took the name of my sister, Kimberly from his sister. I remember being a fan of MSU because the guy i got my nickname from was playing college football.

The nickname to my mother chagrin has stuck since one day while he was rolling the football to me and someone called me little Bubba. At the time my mother had everyone calling me Jay. Thanks to whoever called me Bubba because i couldn't imagine being a Jay today.

I hope this reaches the Toups family and maybe give them a smile that there is a Bubba out here carrying on the name and I may not have memories of anything but his name, but i do fondly think of the Toups family and wish you well and condolences to my namesake,
