“ Although we have never met her family after her move to Pascagoula ; I would like to say I'm so sorry for your loss. Mary and I were close when she was young and we shared a lot of time together. I really missed seeing her and now I won't be able to get the time. I loved her and thought of her often. I am her cousin and was born on her Mother's birthday. I'll always regret not staying in touch with her and not being part of her family in Pascagoula. My deepest sympathy goes out to all and especially to her sons and their families.
