He is survived by his loving wife of 66 years, Louise, his children, Paul H. & Cindy Mizell and Teri L. Mizell; one grandchild, Rachel L. “ I had the pleasure of knowing Paul for thirty four years and that was not long enough. My wife Beverly was a Spicer (Louise's sister) so we met often while she lived. He loved fishing and hunting among other things. Our families would go on fishing trips together; he knew exactly where the fish would be biting. Once my oldest daughter visited from Iowa and the entire crowd went fishing (I was at work). I still have the pictures of all the fish the group caught. For years we would grill food on Sunday at the Mizell house on Front street; we always looked forward to that. But most of all are the memories, some of the best of my life. Paul is at rest now; I hope he and Beverly meet together often and revisit the great times we spent together.

“ I am so sorry to hear of Mr. Mizell's passing. I grew up with his family in my old neighborhood. He was one of the kindest men I've ever known. He always had a smile to greet you. He will truly be missed. It just won't be the same going by the old house and not seeing him. My prayers are with his family. Debbie Whitehead Crawford.
