“ I have so many great memories from my childhood. Growing up three doors down from the Sheckells family was a gift. 'Mr. Shawn' always had a joke or a prank or some other clever torment to bring excitement to my day. I wish I had done a better job keeping in touch over the years. Fair winds and following seas.

“ I have so many memories to share of my cousin. We worked hard at the shipyard together and played harder after hours. Shared many hockey games and fishing spots together. He had a heart of gold and I will truly miss him. My thoughts, love and prayers are with the family. Rest easy cuz.
